

REMARKS

New claims 19-38 are in the case and presented for consideration. The claims are believed to be patentable over the references that have been previously cited by the Office during the prosecution of this application. No new matter has been added.

Claims 1-18 have been canceled to advance prosecution. Applicants respectfully reserve the right to reintroduce the subject matter of the canceled claims in later proceedings, including but not limited to, proceedings in this application and proceedings in any continuation of this application. Applicants do not necessarily agree with or acquiesce to the decision by the Board of Patent Appeals and Interferences mailed March 22, 2007, and maintain that the canceled subject matter is patentable.

If any issues remain which may be resolved by telephonic communication, the Examiner is respectfully invited to contact the undersigned at the number below, if such will advance the application to allowance.

The Commissioner is hereby authorized to credit any overpayment or charge any fee (except the issue fee) to Account No. 14-1270.

Respectfully submitted,

/Yan Glickberg/
